

2019 Washington, D.C. Fly-In

One Voice, under the leadership of the Bloomington-Normal Economic Development Council, is a pro-community campaign that has brought together leaders from the City of Bloomington, Town of Normal, McLean County, labor, local educational institutions and local private businesses. These groups form the One Voice Task Force. The goal of the campaign is to make McLean County a stronger economic force and a better place to live.

In 2018 we visited the Department of Transportation where Connect Transit sought funds for a transfer center in Downtown Bloomington as a way to provide more capacity for buses and better passenger amenities and the Town of Normal sought funds for a pedestrian and bicycle underpass near Uptown Circle and the Uptown Station Multimodal facility. We also met with the U.S. Small Business Administration to build a relationship and learn about loan programs, capital investment networks and SBA grants to further build the entrepreneurship ecosystem in our community.
